NTS: AIS - Advanced Intrusion Systems / AIS

Thursday: March 9, 2017 - 8:00 a.m to 5:00 p.m.

Friday: March 10, 2017 - 8:00 a.m to 5:00 p.m.

Anixter / Tri-Ed - 45 Research Drive, Unit D, Milford, CT 06460

CASIA Members: \$315.00

Non-Members: \$415.00

Advanced Intrusion Systems / AIS program represents an important part of the National Training School's ongoing revision of its curriculum. This class is an advanced look at design and installation. Learn how to select and apply proper detectors, control panels and communication devices in a variety of residential and commercial uses. Using electronics, attendees will also design and troubleshoot a system.

Basic Electronics

Standards

Perimeter Detection

Space Detection

Control Panels

Residential Applications

Commercial Applications

False Alarm Prevention

Reference Manual

Certification Exam
