

NTS Electronic Access Control (EAC) Course

Thursday April 5, 2018: 8:00 a.m. to 5:00 p.m.
Friday April 6, 2018: 8:00 a.m. to 5:00 p.m.

ADI @ 121 Woodmont Road, Milford, CT 06460

CASIA Members: \$320.00
Non-Members: \$420.00

NOTE: State of CT Department of Labor/ Apprenticeship Division recognizes CASIA / NTS classes when applying for a CT low voltage license. Presently, additional non-NTS classes are required to complete 288 hours of study. NTS is developing a “crosswalk” syllabus, under the NTS umbrella, which will meet the State 288-hour mandated curriculum. ETA: April 2018.

This 14-hour course, followed by an exam provides the training needed to successfully design and install an electronic access control system. It teaches the theory and practical application of locks, door hardware and electronic access control systems. The course culminates in a system design exercise based on a customer’s specifications and building plan.

The course of study includes:

- *Basic locksmithing*
- *Locks and barriers*
- *Entry and exit devices*
- *Powering components*
- *Controllers and processors*
- *Wiring methods*
- *Building codes*
- *System design*
- *Common errors and solutions*
- *Overview*
